

Dear All,

Further to my mail of earlier re the SAMA Kit...kindly note that no athlete will be allowed to participate in anything other than the official SAMA kit (with the official SAMA emblem) as shown in the booklet. No Springbok, Protea or any other emblem will be allowed at the WMA champs. The LOC of Malaga WMA champs are in possession of examples of the official kit of each country, and they will ensure that any athlete not dressed in the correct attire will not be allowed onto the track or field.

All provincial chairpersons & secretaries, kindly ensure that your athletes receive this message.

Kind regards
Lydia Stander
