

Dear All,

Kindly ensure that all your athletes receive this mail.

I noticed that the webpage url where the registration needs to be done, had changed. Herewith the new link to the English registration page [https://malaga2018.com/GO/eng\\_index.htm](https://malaga2018.com/GO/eng_index.htm)

When opening this link, and during the registration process, please make sure that the British flag shows on your registration, then you won't need to first do a crash course in speaking Spanish to be able to register. Carry on registering following the instructions in the e-mail below.

Kind regards

Lydia Stander
