Dear Sir/Madam,

We, Mercantile Athletic Federation, which is affiliated to Athletic Association of Sri Lanka, was established in 1983 for the benefit of talented athletes in mercantile sector in Sri Lanka. With that objective, we are conducting our athletic meet every year by the name of "Mercantile Annual Athletic Championship" and we have successfully concluded the 35th Mercantile Annual Athletic Championship in 2018 with the participation of nearly 2,000 young and experienced local & international athletes who have competed for their pride among more than 60 well reputed mercantile sector companies and banks.

In addition to that, we are happy to announce that we have already planned to conduct the 36th Mercantile Annual Athletic Championship on 10th & 11th August 2019 at Sugathadasa Stadium, Colombo as one of the most colorful event in mercantile athletic calendar with the participation of approximately 2,500 local & international athletes.

Herewith, we cordially invite you to participate for the above athletic meet as one of the best athletic team from your country. With that effort, we are hoping to give a better chance to our mercantile sector athletes to compete with many international level athletes and we are sure, this will help both local & international athletes to improve their talents and share their experiences as well.

To make this event successful, we are seeking your participation for the above athletic meet and we are very hopeful that you will extend your generous support to our federation. Please note that the total cost will be **\$.250.00** including **Entry fees, Transport, Food & lodging, get together, etc.**

Thank you in advance for consideration our invitation and we are looking forward to your positive response. Please write us through our official email address [mafsrilanka@mercantileathletics.com](mailto:mafsrilanka@mercantileathletics.com) or contact following official for further details and we will forward further information on your request.
